

RebuildGGM

```
graph LR; A[RebuildGGM] --> B[initialize_csprng_ds]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is dark gray with a black border and contains the text 'RebuildGGM'. A blue arrow points from the right side of this box to the left side of the second box. The second box on the right is white with a black border and contains the text 'initialize_csprng_ds'.

initialize_csprng_ds
