

word_sample_salt

```
graph LR; A[word_sample_salt] --> B[initialize_csprng]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'word_sample_salt'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'initialize_csprng'. Both boxes have a thin black border.

initialize_csprng
